

## Science Talks – EUSIPCO 2025 Special Issue – Cancellation Notice

### Cancellation Notification

The journal *Science Talks* will cease publication as of 2026.

Accordingly, all manuscript submissions must be received by 7 September 2025 to be considered for the editorial evaluation and eventual publication. Given that the upcoming conference EUSIPCO 2025 will occur after this date, in consultation with the organizing committee members and guest editors, it has been decided to cancel the Special Issue planned for this year's event.

Despite the closure of the journal, all *Video articles* published from previous editions will remain accessible and citable via the links provided below.

- [Science Talks | EUSIPCO 2024 – selected video-articles in Signal Processing | ScienceDirect.com by Elsevier](#)
- [Science Talks | 32nd European Signal Processing Conference - 3 Minutes Thesis \(3MT\) contest collection - Short Communications | ScienceDirect.com by Elsevier](#)
- [Science Talks | 31st European Signal Processing Conference - 3 Minutes Thesis \(3MT\) contest collection - Short Communications | ScienceDirect.com by Elsevier](#)
- [Science Talks | EUSIPCO 2023 – selected video-articles in Signal Processing | ScienceDirect.com by Elsevier](#)

*Science Talks* team would like to express its sincere gratitude to the authors, reviewers and editors within this community who have contributed their valuable work over the years.

We extend our best wishes for the continued success of EUSIPCO 2025.
