SIGNAL PROCESSING IN THE LAND
OF ART, CULTURE AND BEAUTY

Isola delle Femmine - Palermo, Italy
September 8 - 12, 2025

**Call for
Papers**

On behalf of the European Association for Signal Processing (EURASIP), it is a great pleasure of the organizing committee to invite you to the 33rd European Signal Processing Conference (EUSIPCO 2025) to be held in Isola delle Femmine-Palermo, Italy, on September 8-12, 2025.

EUSIPCO 2025 offers a comprehensive technical program, addressing all the latest developments in research and technology for signal processing, which include plenary talks by distinguished international speakers, tutorials and oral sessions, cutting-edge research demos and poster presentations, as well as a round table with leading industrial ICT operators. Finally, yet importantly, the program include several social events in the heart of Sicily that you will never forget.

The organizing committee is inviting submission of original unpublished research papers on signal processing topics, including but not limited to:

- Audio and acoustic signal processing
- Speech and language processing
- Image and video processing
- Multimedia signal processing
- Signal processing theory and methods
- Sensor array and multichannel signal processing
- Signal processing for communications
- Radar and sonar signal processing
- Signal processing over graphs and networks
- Nonlinear signal processing
- Statistical signal processing
- Compressed sensing and sparse modelling
- Optimization methods
- Machine learning
- Bio-medical image and signal processing
- Signal processing for computer vision and robotics
- Computational imaging / spectral imaging
- Information forensics and security
- Signal processing for power systems
- Signal processing for education
- Bioinformatics and genomics
- Signal processing for big data
- Signal processing for the Internet of Things
- Design/implementation of signal processing systems

Accepted papers will be included in IEEEXplore®. EURASIP enforces a “no-show” policy. Detailed procedures to submit papers will be reported on the website: www.eusipco2025.org
