

33<sup>rd</sup> European Signal Processing Conference (EUSIPCO 2025)  
Signal Processing in the land of art, culture and beauty

---

# Eusipco2025

SIGNAL PROCESSING IN THE LAND  
OF ART, CULTURE AND BEAUTY

Isola delle Femmine - Palermo, Italy  
**September 8 - 12, 2025**

**Call for**  
***Demos***

## Important dates:

Demo Proposal Submission Deadline: ~~4 May 2025~~ **31 May, 2025**

Notification of Acceptance: ~~31 May 2025~~ **12 June, 2025**

## Demo Sessions Co-Chairs:

**Salvatore Serrano**, University of Messina, Messina, Italy

**Mark Sandler**, Queen Mary University of London, London, United Kingdom

**Igal Bilik**, Ben-Gurion University of the Negev, Beer-Sheva, Israel

## Aims & Scope

We are pleased to invite you to participate in the demo session of the 2025 European Signal Processing Conference (EUSIPCO), which will be held in Palermo (Isola delle Femmine) - Italy, from 8th to 12th September.

The demo sessions at EUSIPCO provide an excellent platform for researchers, developers, and practitioners from both academia and industry to showcase their latest innovations and practical implementations in the field of signal processing. We encourage submissions that demonstrate innovative applications and technologies, including, but not limited to:

- Audio and speech processing
- Image and video processing
- Machine learning and deep learning for signal processing
- Biomedical signal processing
- Communications and networking
- Sensor arrays and multichannel signal processing
- Signal processing for big data
- Emerging applications and technologies in the field of signal processing
- Any other technical areas as defined in the Call for Papers of EUSIPCO 2025

## Submission Guidelines

To participate in the demo session, please submit a two-page demo proposal, which should include:

- Title:** *A concise title of the demo.*
- Authors:** *Names, affiliations, and contact information of the authors.*
- Abstract:** *A brief description of the demo (up to 2,000 characters), including the objectives and the novelty.*
- Technical Details:** *Detailed description of the system setup, including hardware and software requirements.*
- Relevance:** *Explanation of the relevance and significance of the demo to the EUSIPCO community.*
- Logistics:** *Any specific requirements for the demo setup (e.g., power supply, internet access, space).*

Proposals should be submitted by e-mail to the Demo Co-Chairs at [demos@eusipco2025.org](mailto:demos@eusipco2025.org) by 31 May 2025. All demo proposals will be peer-reviewed to ensure relevance and quality. Accepted demos will be allocated a space in the demo session area, where participants can engage with the attendees and receive feedback on their work.

Demo papers will appear on the EUSIPCO website, but they will not be published on IEEE Xplore.

## Contact Information

For any questions regarding the demo session, please contact the Demo Chairs at [demos@eusipco2025.org](mailto:demos@eusipco2025.org)

We look forward to your exciting demo proposals and to seeing you at EUSIPCO 2025!
